

Member Firms Ranked in Chambers and Partners Latin America 2027 Guide

We're pleased to share that Ally Law has retained its Band 1 ranking as a Leading Law Firm Network: The Elite – Latin America-wide in the [Chambers Latin America 2027](#) guide. In addition, 12 of our member firms in the region are honored across 33 practice areas.

The recognition highlights the strength of AllyLatinx, our group of 18 member firms across Latin America, and the cross-border collaboration that helps clients access trusted local counsel throughout the region.

"Our strength comes from the relationships among our firms. We know and trust one another, and that allows us to bring together the right local expertise for clients wherever their business takes them in Latin America," said Juan Pablo Cardinal, Ally Law First Vice President and head of AllyLatinx.

Congratulations to our Latin American members whose expertise, collaboration and commitment make this recognition possible.
